

ADVANCE YOUR CAREER

Mitacs Accelerate supports collaborative research between grad students or postdoctoral fellows, a faculty supervisor, and a non-academic partner. You receive a **stipend that starts at \$10,000**, gain experience beyond your university, and increase your employability and professional networks.

Who is eligible?

- > All academic disciplines
- > Current master's and PhD students and postdoctoral fellows
- > Canadians, permanent residents, and international students
- > Companies and approved not-for-profit organizations operating in Canada

Fast and flexible research funding

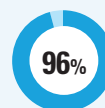

- > Applications accepted anytime
- > 6–8 week evaluation
- > Projects start at four months and can scale up depending on research needs
- > Research can form part of your thesis or dissertation
